Introduction

The Journal of Mental Science was published by the authority of the Association of Medical Officers of Asylums and Hospitals for the Insane, known as the Medico - Psychological Association from 1866; and the Royal Medico - Psychological Association from 1926.

The Journal was originally housed at the Royal Edinburgh Hospital as part of the Royal Edinburgh Asylum Physicians Library. This later came under the control of Edinburgh University and following a stock review in 2006, the Journal was passed onto Lothian Health Services Archive. Volumes 6 and 7 were transferred as a later accrual during 2010 (Acc 10/23).
