GD17 ROYAL EDINBURGH ASYLUM PHYSICIANS LIBRARY

Introduction

The earliest reference to books being borrowed from a specifically medical as opposed to a patients' library at the Royal Edinburgh Asylum occurs in 1843, and it is reasonable to assume that it was founded around that time. The library evolved into the Royal Edinburgh Hospital Medical Library, which was amalgamated with the University of Edinburgh Department of Psychological Medicine, subsequently it became the class library of the Department of Psychiatry.
