- | | | |
|---|-------------|--|
| 1 | 1967 – 1968 | Work book compiled for theatre course including photographs of the Royal Infirmary and nurses being shown an instrument tray and an assessment of the Theatre Service Centre and how the Centre impacts on the teaching of student nurses. The text is interspersed with relevant quotes from Shakespeare. |
| 2 | 1971 – 1972 | Work book compiled for theatre design course including humorous sketches of hospital activities and plans of theatre lay-outs. |
