

- 1 Papers relating to the Nutrition Survey work done in the British Zone of Germany, 1946
- 2 Reprints of articles on nutrition:
 - 1 Black, Douglas & Leese, Arthur, "Nitrogen and Chloride Metabolism in gastro-duodenal haemorrhage", *Quarterly Journal of Medicine* Vol.IX No.34 April 1940
 - 2 Black, D. A. K., "Treatment of burn shock with plasma and serum", *British Medical Journal* November 23rd 1940 vol.ii
 - 3 Black, D. A. K., "Blood and plasma transfusion in alimentary haemorrhage", *British Medical Journal* February 8th 1941 vol.i
 - 4 Lord Horder, "Lessons taught by wartime feeding", Food Education Society, May 1943
 - 5 Beattie, J. *et al.*, "Studies on hepatic dysfunction: I. Carbon tetrachloride poisoning treated with casein digest and methionine", *British Medical Journal* February 12 1944 vol.i
 - 6 Beattie, J. & Marshall, J., "The aetiology of post-arsphenamine jaundice", *British Medical Journal* April 22 1944 vol.i
 - 7 Beattie, J. & Marshall, J., "Methionine in the treatment of liver damage", *Nature* Vol.153 April 1944
 - 8 Beattie, J., "Metabolic disturbances in infective hepatitis", Biochemical Colloquium, University of Leeds, October 1944
 - 9 Beattie, J. & Marshall, J., "Studies on hepatic dysfunction: II. The value of sulphur-containing amino-acids and casein digest in the prevention of post-arsphenamine jaundice", *British Medical Journal* November 18 1944 vol.ii
 - 10 Beattie, J. *et al.*, "Studies on hepatic dysfunction: III. Carbon tetrachloride poisoning: sulphur metabolism", *British Medical Journal* December 30 1944 vol.ii
 - 11 Higgins, G. *et al.*, "Treatment of infective hepatitis with methionine", *British Medical Journal* March 24 1945 vol.i

2 Reprints of articles on nutrition:

- 12 Beattie, J., "Discussion on abdominal in-cisions", *Proceedings of the Royal Society of Medicine* Vol.XXXIX No.5 March 1946
- 13 Witts, L. J., "A review of the dietetic factors in liver disease", *British Medical Journal* Jan. 4 and Jan. 11 1947 vol.i
- 14 Kelsall, A. R., Stewart, Alice & Witts, L. J., "Subacute and chronic hepatitis", *The Lancet* August 9 1947
- 15 Beattie, J., "Metabolic disturbances after injury", *British Medical Journal* November 22 1947 vol.ii
- 16 Beattie, J. & Herbert, Philippa H., "Basal metabolism during recovery from severe undernutrition", *British Journal of Nutrition* Vol.1 Nos.2 & 3 March 1948
- 17 Beattie, J. & Herbert, Philippa H., "The estimation of the metabolic rate in the starvation state", *British Journal of Nutrition* Vol.1 Nos.2 & 3 March 1948
- 18 Stern, Margaret I., "Levels of serum alkaline phosphatase among infants (2-27 months) in the British Zone of Germany", *British Journal of Nutrition* Vol.1 Nos.2 & 3 March 1948
- 19 Beattie, J., Herbert, Philippa H. & Bell, D. J., "Nitrogen balances during recovery from severe undernutrition", *British Journal of Nutrition* Vol.1 Nos.2 & 3 March 1948
- 20 Beattie, J., Herbert, Philippa H. & Bell, D. J., "Famine oedema", *British Journal of Nutrition* Vol.2 No.1 July 1948
- 21 "Proteins in medicine", n.d.
- 22 "Rations and the nutritional state", n.d.

3 Papers relating to cancer studies in Uganda, 1955-1956

4 Reprints of articles on cancer:

- 1 MacDonald, Eleanor J., "Malignant melanoma in Connecticut", *Special Publications of the New York Academy of Sciences* Vol.IV January 1948
- 2 Clark Jr., Randolph Lee & MacDonald, Eleanor J., "The natural history of melanoma in man", *Pigment Cell Growth* 1953
- 3 Davies, J. N. P. & Wilson, Barbara A., "Cancer in Kampala, 1952-1953", *East African Medical Journal* Vol.31 No.9 September 1954
- 4 MacDonald, Eleanor J., "Epidemiology of cancer", *Texas Reports on Biology and Medicine* Vol.13 No.4 Winter 1955
- 5-7 Davies, J. N. P., "Collection of statistical data on cancer in Africa", *Abstract of the < Acta >* Vol.XIII No.6 1957. 3Copies
- 8-10 Davies, J. N. P., Wilson, Barbara A. & Knowelden, John, "Cancer in Kampala: a survey in an underdeveloped country", *British Medical Journal* August 16 1958 vol.ii. 3 copies
- 11 MacDonald, Eleanor J., "Malignant melanoma among Negroes and Latin Americans in Texas", *Pigment Cell Biology* 1959
- 12 MacDonald, Eleanor J., "The epidemiology of skin cancer", *The Journal of Investigative Dermatology* Vol.32 No.2 February 1959
- 13 "Cancer in the South African Bantu", *Cancer Progress* Vol. 1960
- 14-15 O'Connor, G. T. & Davies, J. N. P., "Malignant tumors in African children", *The Journal of Pediatrics* Vol.56 No.4 April 2 copies
- 16 "Symposium on cancer", *East African Medical Journal* November 1961

BARBARA A. WILSON (NEE GLASCOCK)

4 Reprints of articles on cancer:

- 17 Davies, J. N. P., Wilson, B. A. & Knowelden, J., "Cancer incidence of the African population of Kyadondo (Uganda)", *The Lancet* August 18 1962
- 18 "Epidemiologic approaches to cancer etiology", *Cancer Research* Vol.25 No.8 September 1965
- 19-21 Davies, J. N. P., Knowelden, J. & Wilson, Barbara A.,
"Incidence rates of cancer in Kyadondo County, Uganda, 1954
1960", *Journal of the National Cancer Institute* Vol.35 No.5
November 1965. 3 copies
